Hover (colors):	Black layer 10% (alpha 0.1)	Box-shadow:	0 3px 6px 0 rgba(26,64,77,0.15);
Hover (white backgrounds):	Black layer 5% (alpha 0.05)	Border-radius:	5px;
In-active:	Opacity 50% (alpha 0.5) no box shadow	Font alignment:	slightly lower than vertical center align
White text:	12pt Bold (700)		
Dark blue text:	12pt SemiBold (600)		

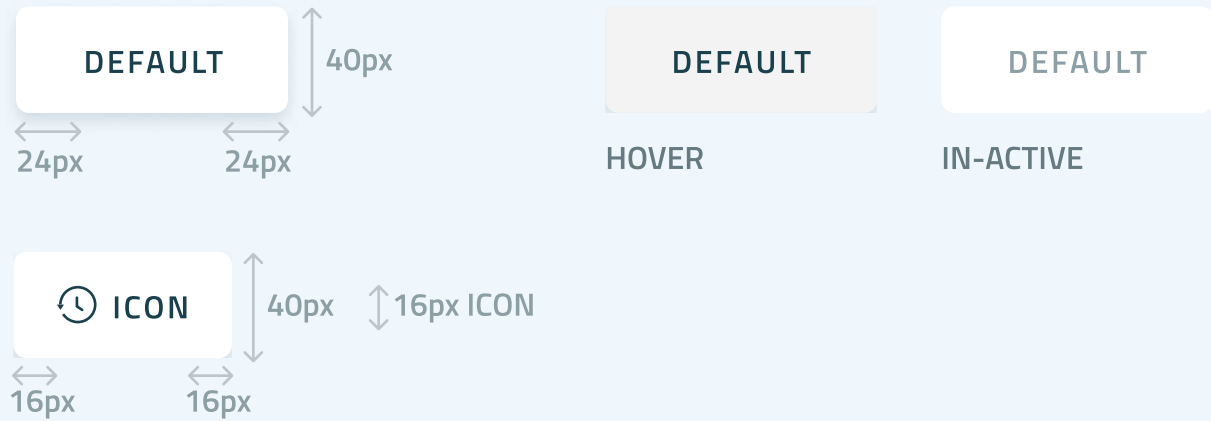

PRIMARY

Use for primary actions: create new / save / search

DEFAULT

Use for secondary actions: filters, location manager, and add icon on left when necessary

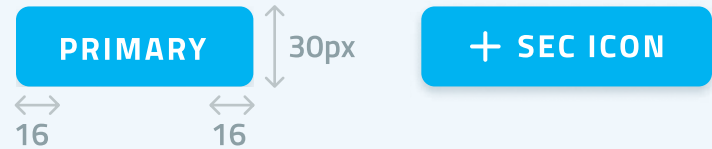

DROPDOWN

SMALLER PRIMARY

Use for secondary actions: filters, location manager, and add icon inside button when necessary

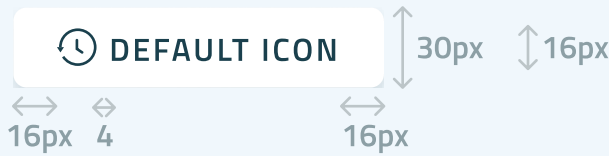

SECONDARY IN-LINE

Use when there are additions in already present data eg. add / send

SMALLER PRIMARY

IN-LINE CTA AND LINKS

Use button style in counter with primary action, to display more options: clear all / view / asset name

# Reusable elements

**Badges:** Used to show new activity

**Switch icon:** Switch views of the same information type  
(eg workorders / language)

**Checkbox:** multiple selections

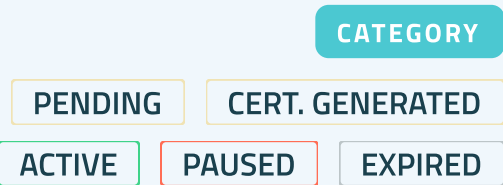

**Radio button:** single selection

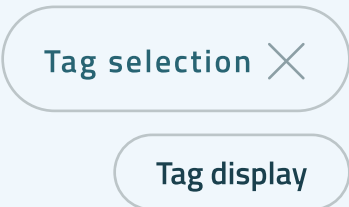

**Tool tips:** For extra information of when text field is truncated

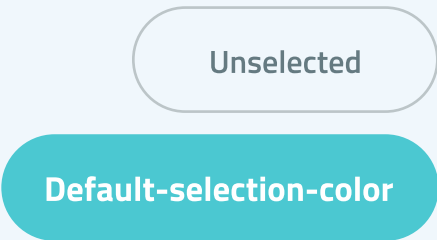

**Lozenges:** Displaying key information that is not clickable, but help in general understanding

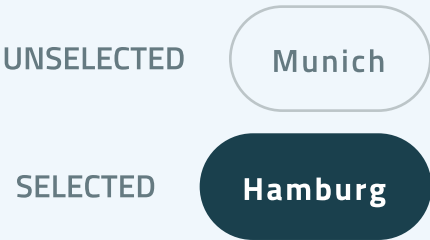

**Tags:** Tags are relevant information that can be added from settings and displayed for planned and unplanned workorders

**Filter selection:** Color is decided by the type of filter otherwise kept default #4BC8D1

**Selections:** Currently used in requests screen for asset and tag selection

TEXT DISPLAY

Not more than 12 words in one line, to enhance readability  
Max width: 450px

**Sample text**  
The viewer of this sheet should exercise all precautionary measures while following instructions on the guidelines. The responsibility lies with the viewer and not with the editor/creator.

PLAIN TEXT

- Set width according to fields container
- Height: 40px
  - Border: divider-light (#E9E8E8;)
  - Color: #909799;
  - Border-radius: 5px;

E-mail

This field is required (error msg eg)
